_____ Credit hours completed (Minimum required 60 cr hrs)

_____ UM Cumulative GPA (Minimum required 3.0 GPA)

Description of work to be done:

Credit hours: **3**

Students enrolled in LS 499WI during Fall or Spring semesters are expected to work three to four hours per week in the laboratory for each credit hour received (six to seven hours per week per credit hour during the Summer semester). In addition, the WI option requires the following:

- Some class time is devoted to helping students complete writing assignments.
- Writing assignments are distributed throughout the semester, and differ in length and purpose.
- The course requires 5,000-10,000 words (approximately 20-40 double-spaced pages) of revised, final-draft quality writing.
- Writing assignments account for at least 40 percent of the course grade.
